

The Lord of the Flies Scaricare Libri William Golding (PDF, ePub, Mobi) Gratuito

ince it was first published in 1954, William Golding's classic debut novel has remained a stark allegory of civilization, survival, and human nature. As dystopian stories like *Hunger Games* and *Battle Royale* surge in popularity, this haunting tale of a group of young boys stranded on a desert island still captivates schoolchildren around the world, raising timeless and profound questions about how easily society can slip into chaos and savagery when rules and order have been abandoned.

When a plane crashes on a remote island, a small group of schoolboys are the sole survivors. From the prophetic Simon and virtuous Ralph to the lovable Piggy and brutish Jack, each of the boys attempts to establish control as the reality- and brutal savagery-of their situation sets in.
