YOU'RE NOT THE ONLY ONE WATCHING

'Page one intrigued me. Page three hooked me. By page five, I was consumed. This compulsive, propulsive novel is both a **seize-you-by-the-throat thriller** and a genuinely moving family drama. **Stellar.**' - A.J. Finn, author of *The Woman in the Window*

'Jewell writes **wonderfully engaging characters** who weave plausibly tangled webs and the whodunit was largely incidental until the closing pages. She masterfully draws all her threads together throwing in some **cunning twists** for good measure...The countdown is on for the next Lisa Jewell novel.' - *Daily Express*

You're back home after four years working abroad, new husband in tow.

You're keen to find a place of your own. But for now you're crashing in your big brother's spare room.

That's when you meet **the man next door**.

He's the head teacher at the local school. Twice your age. Extraordinarily attractive. You find yourself **watching him**.

All the time.

But you never dreamed that your innocent crush might become a deadly obsession.

Or that someone is watching you.

Family secrets, illicit passion and an unexplained murder? It can only be the gripping new novel from Lisa Jewell, #1 bestselling author of Then She Was Gone.

'I was totally gripped by this excellent psychological thriller. Set in Bristol, it opens with a dead body, then moves into the head of Joey, a newly-married 27-year-old who gets a sudden crush on one of her new neighbours, which quickly becomes obsessive. Hugely enjoyable.' - Marian Keyes, author of *The Break*

'If you only pick one summer read this year, make it ***Watching You***. I inhaled it in one

sitting. A gripping plot, characters you love but can't trust, and a thumping emotional heart, Lisa Jewell has done it again.' - Sarah Pinborough, author of *Behind Her Eyes* and *13 Minutes*

'If you loved *The Woman in The Window* and *The Girl on the Train* then this is for you!' - the Hotlist, *U Magazine*

'Then She Was Gone was my favourite thriller last year and this is even better. Brilliantly plotted and impossible to put down, it kept me guessing until the very end.' - Alice Feeney, author of *Sometimes I Lie*

'She's done it again! Lisa Jewell has penned the page-turner of the summer. Emotionally-engrossing and utterly compelling, with a mystery that keeps you gripped until the last heart-wrenching page.' - Tammy Cohen, author of *They All Fall Down*
